

CALL FOR  
ARTIST IN RESIDENCE APPLICATIONS

**Amerind**

The Amerind Museum, Dragoon, AZ, seeks Artist in Residence applications from emerging Native American artists. The residency must be completed between October and December 2022. The selected artists must be in residence at the Amerind Museum for 1-2 months. The selected artist will receive housing, studio space, and a \$2,500.00/month stipend. The artist will be asked to give a public talk about their work and/or hold some open studio hours. While in residence, the artist is welcome to sell their work directly to the public. Depending on the nature of the artist's work, the Amerind Museum may consider an exhibition or similar event by the selected artist. We welcome visual artists, performing artists, and literary artists.

We are seeking Indigenous artists who are at the beginning of their artistic careers. Artists must be enrolled members of a state or federally recognized Native American Tribe. The winning artists will need to provide proof of their enrollment.

The \$2,500 stipend per month is made possible by a grant from the Arts Foundation of Tucson and Southern Arizona. We thank their Foundation for their generosity and support.

**Note:** The artist must have reliable transportation. The town of Dragoon is 1-hour drive east of Tucson. The closest grocery stores are in Benson, AZ, a 20-minute drive from the Amerind Museum.
